Built for Every Backyard

EMOTION WAVES

The Emotion blends high design, outstanding durability, and a refined silver-and-grey color palette, complete with the Waves wall pattern that mimics the movement of water—perfectly complementing any backyard décor. Its hybrid frame features high-impact resin top ledges and bottom rails that resist fading, corrosion, and wear. The superior multi-layer wall coatings deliver exceptional strength and long-term performance. Your backyard will be the place to be this summer!

FEATURES

- 7" resin top ledges
- Silver brushed steel uprights
- Two-piece resin ledge covers hides fasteners and will not chip or discolor
- Resin plates and rails
- Waves wall pattern
- Compatible with salt water systems

BRACELESS OVAL SYSTEM

The Braceless Oval System for this pool does not require angled side supports, which take up extra yard space. The Braceless Oval System, is a series of practically invisible lateral supports that you place in the ground. It is a must for anyone who wants to make the most of their yard!
